County Commissioners,

The generous contribution of the Ravalli County Open Lands Program was instrumental & vital in yesterday's acquisition by FWP of the C. Ben White Mem. FAS.

We are hoping to hold a socially-distanced party at the new FAS in October and hope y'all can make it.

The County Commission, as well as our other partners, is responsible for securing permanent recreational access for Ravalli County residents.

Thanks again
Mimi Wolok

Thank You
