Subject: [EXTERNAL] Masks and COVID

Dear Commissioners,

I am a resident in Ravalli County, I have been since 1974, and writing as I'm concerned about the lack of masks being worn.

I feel as a tax payer I have a right to voice my opinion.

Please enforce wearing of masks in the county. I visited establishments in Hamilton and Stevensville on Monday, October 12. In Hamilton I was the only person wearing a mask in the store. In Stevensville, there were three of us-one clerk and two customers-I being one of the two.

When COVID became a concern I called the Ravalli County health department to ask why masks were not being worn. The rude response I received was, "it is not a law-if you don't like it boycott the business." Wow, I was shocked and said, "I hadn't thought about boycotting but will now."

I am seeing the numbers for the virus increase daily as we all are.

Please enforce the wearing of masks.

Thank you

Mary Fillmore
