Subject: [EXTERNAL] Mask Mandate and RC

Dear County Commissioners of Ravalli County,

I am writing on behalf of my family and community to request that our county take a stronger stance on Governor Bullock's mask mandate. Personal responsibility means wearing a mask, and if people are not wearing masks, the rate of Covid will continue to rise in our county. As has been noted in the news, including to not limited to the Ravalli Republic and more recently the New York Times.

Please make masks mandatory in our county so that our community can work in tandem to slow or stop the spread. Our children are seeing the brunt of the lack of responsibility by adults with school cancellations occurring on a more regular basis.

By taking out the politics, we can work together to enact change.

Thank you for your consideration in this matter.
