Subject: [EXTERNAL] Scientific evidence why masks are harmful.

Hello commissioners,

(I thought to forward this well informed video, the first 12-15 minutes will give you the scientific proof, as well as a testing of the air under various mask)

I'm against a mask mandate, wearing a mask is harmful to our health. I'm including in this email CDC evidence that wearing a mask does not protect you from COVID-19.

Thank you again,
Sandy Bickish
