Aquatic Invasive Species **NEWSLETTER**

Aquatic Invasive Species Education Workshop

Until we can meet in person, join us for an online AIS education workshop.

Register for this FREE online workshop at <https://www.surveymonkey.com/r/YC6X25L>. The virtual workshop is Oct. 28 from 1:30 to 3:30.

Matt Wilhelm with Yellowstone Fly Fishing School and Liz Lodman, FWP AIS Information Officer, will share easy activities developed by the **Invasive Species Action Network** that you can do with people of all ages.

Registration is required. Participants will receive a zoom link to join the workshop.

The workshop is designed to provide non-teachers with knowledge and techniques needed to become an outside resource that teachers can call upon for aquatic invasive species lessons.
