Subject: [EXTERNAL] Masks

Thank you so much for allowing the citizens of Ravalli County to not wear masks, if that is what they feel is right for them. Our family follows the mask up rule when absolutely necessary but prefers not to wear them. If we were made to wear them everywhere we go we would probably cut down on our shopping and using local vendors and stores. The fact that you have let us choose our own path in this decision is great! We take all precautions when out in the public and try to avoid crowded areas.. We stand behind you and support you as we make our way through this pandemic.

Thank you,
Kathy and Mark Clark
