Subject: [EXTERNAL] Mask Mandate Enforcement

It has been brought up that some people are leaning hard on you to enforce the mandate. As a small business owner, dealing with our clientele, we've found that those who want to and feel safe will wear one. While 95% of my clients choose not to and express to us that they are grateful to be given the choice. I stand with Steve Holton and the Commissioners in the choice to NOT enforce this mandate, and leave it up to the people. If they want to wear a mask, let them, if they don't, it's their right.

Thank you,
