Dear Ravalli County Commissioners,

It has come to my attention that you have been receiving complaints on how you are choosing to enforce the current mask mandate. I am writing you to voice my support of how you have chosen to enforce it. Thank you for giving residents of our county and business owners the choice in this matter. May you continue to make to make wise decisions based upon truth and what is in the best interests for the residents of our county.

Sincerely,

Aaron Conner
