Subject: [EXTERNAL] You can contain COVID-19

Dear Sirs,

We must have a unified approach to containing COVID-19 & safeguarding the citizens of Ravalli County. Please use the awesome power of your positions to demonstrate to all our neighbors that wearing masks, staying 3-6 feet apart & good hand hygiene can save lives and prevent getting infected or seriously ill.

Marcus Daly Memorial Hospital is a small hospital as you know and it is going to quickly become overwhelmed if you do not act.

Do not wait.

Sincerely,

Judith Watkins & Roger Ahrens
