**Subject:** [EXTERNAL] Mask Mandate

Dear Commissioners:

We are writing to request that you enforce the statewide mask mandate here in Ravalli County. Wearing masks is the best known community protection against further spread of Covid, which is on a frightening rise here in our county. Please support the recommendations of the scientific and medical communities, including our own Rocky Mountain Laboratory, regarding masks. Enforcing the mask mandate is the most sound way to return to both a healthy community and a healthy economy.

We must put politics aside to protect our citizens and local businesses from further spread of the pandemic.

Thank you for considering our urgent request.

Corvallis
