Subject: [EXTERNAL] Masks

Commissioners,

I have great hopes that you will attempt to keep our Valley safe from the Pandemic Covid 19. It is not enough to expect the community members to

be responsible for all of our safety, you must tell everyone to wear masks, social distance, and wash hands frequently. This is an incredible crisis that will not go away on it's own, vigilance and careful consideration are now due.

Thank you,

Donna and Jules Haglund
