Dear commissioners,

Our COVID 19 cases continue to rise dramatically. Our hospitals are becoming (if not already there) overwhelmed and people in need will not be able to receive medical attention. We can do better. PLEASE ENFORCE THE EXISTING MASK MANDATE IN OUR COUNTY! Do not leave it to the businesses to be the "bad guy" in trying to enforce. This is your job. This is law enforcement's job. The scientific community is in unison regarding the effectiveness of wearing masks. This is a simple thing to do to protect the citizens in our community! PLEASE BE RESPONSIBLE BY FOLLOWING AND ENFORCING THE GOVERNOR'S MASK MANDATE.

Best regards,
