Subject: [EXTERNAL] Mask Action

Sirs, COVID 19 cases are steadily rising in Ravalli County. Today there are 176 active cases. As our commissioners you have a responsibility to keep us safe as well as plow our roads. Don't let politics get in the way of the health of our county. Trust Science just like the professionals at the Rocky Mountain Lab & our medical community. Mandate Mask wearing for everyone's safety. Encourage washing hands and social distancing. The business climate in our community will improve if the health of our citizens improves. Mandate the Masks, Lynda Corn, Hamilton Sent from my iPhone
