Subject: [EXTERNAL] Leadership during a pandemic?

Below is a partial and growing list of local businesses which we no longer support due to their relaxed policy of protecting their costumers as well as their employees during a pandemic. Much of this relaxed attitude lies in the Ravalli County Commissioners failure to lead in an appropriate manner. Your lack of leadership is only going to bring about more economic hardship on these small businesses which rely on local support to survive. Time is running out to man up and mask up.
