Subject: [EXTERNAL] Hi Chris..

Chris
I'm concerned about this pandemic:

I am voicing my support of strong measures we can do to stop the spread of Corona virus. As a community, I know we are responsible for control of this pandemic. I ask you to please do everything that you can to keep us safe, and keep us from having to shut down stores, restaurants, and schools. I realize there are many here who don't take personal responsibility for curbing the virus, or even take it seriously. I feel it is important to educate them. Anything you could do with conviction will help save lives and businesses, and our schools.

Sincerely,
Jerry Swartout
