**Subject:** [EXTERNAL] Open Lands Boards Meetings

We on the OLB Board, had a meeting on Oct 22, 2020, and five of our members connected remotely through the phone. The meeting was untenable, as NONE of the folks on the phone and many attending the meeting in person, could neither hear nor understand those who spoke. Several of the BRLT folks cannot be heard without masks, and with them, it is impossible. Several of the Board members are MILITANT regarding mask wearing as well.

I, for one, see no reason to hold any of these meetings at the present time. As a member of the planning board as well, we have put off all discussions regarding subdivisions, and this board should be no different. The only reason to hold these meetings is to allow the BRLT folks to get their bonuses to complete projects, and none of that is worth the safety and health of the entire board.

Please discontinue all these meetings until further notice.

As a side note, your position on mask wearing and enforcement thereof, is much appreciated. Thank you  
Ron Wirth
