**Subject:** [EXTERNAL] How We Respond to Covid-19

Dear Commissioners Chilcott, Hoffman, and Barrows,

I have been disheartened in watching the growing numbers of Covid 19 cases in our community with no good leadership to help us get through this unprecedented time. I urge you to follow the governor in requiring mask wearing and practicing social distancing in public places. Its is insane that this community doesn't respect each other enough to do this small gesture to help all. I have redirected my business to Missoula stores as much as possible. I hate that I have to do this as supporting small local businesses is very important to me.

Please have the courage to help lead this community to a safe and productive future.

Sincerely,  
Meghan Hanson
