You are making a big mistake if you charge the tax payers for your screw up. We shouldn't have to pay a dime in this levy you want. 500,00.00 should come out of your own pockets for the screw up. Also the commissioners there are way to may for our county. We need no more than 3. That will help pay of your screw up. Any one that tries to push your 500,000.00 screw up on taxpayers will be voted out. Everyone I have talked to is very angry about this.
