Dear Ravalli County Commissioners,

My husband and I want to thank you for not caving to the popular demands of mandatory covid restrictions in our county. We understand that you are having to make a courageous stand by taking this action and we are very appreciative, along with many other people that we visit with during our daily business. Ravalli County citizens have demonstrated that they are responsible about social distancing and sanitizing, and if they feel it necessary, they will wear a mask. They don't need to be mandated to do so. Once again, thank you.
