Hello Commissioners!

Please mark your calendars. May 22nd at 6:15-6:30 pm or so, we will host an open public forum and report to the community! We want to bring everyone up to date on where things stand with our efforts to bring a destination, public skatepark to the Bitterroot, identify the other players involved, answer your questions and listen to your comments. We will open with a short power-point presentation. Then talk about what is next. We will have Katelyn Anderson from MSU Extension office speak about Ravalli County 4-H and the potential to start only the States, second 4-H Skateboard curriculum. We also want to invite open dialogue with community members, providers and agencies to talk about our kids, their needs and how we can utilize the skatepark to serve them. Please join us at Hamilton City Hall upstairs in the Conference room, at 6:30 pm on Thursday, 5/22/14. Word is there might be some Pizza Hut pizza there as well!
