**Subject:** [EXTERNAL] RAL trail Golf Course Road

Dear Commissioners:

My wife and I live in Corvallis and recently became aware of the efforts to construct a trail along the side of Golf Course Road in memory of Robert Leonardi who was hit and killed on that section of road on his scooter.

We are a little unclear what the costs to acquire easements for this trail are but assuming public easements are already in place and costs for land are fairly minimal we are in agreement that this project. It would be a good public addition to the community and a fitting memorial to the young man whose life was senselessly shortened by the speeding driver.

Sincerely,

Andy Lundquist and Tammy Beckwith
