Subject: [EXTERNAL] RAL Walking Path

Dear Commissioners,

I am writing to you encouraging the completion for RAL. For those of you who do not know I spent many hours working on a bike path for Golf Course Rd encouraging a lead to schools along with trying to protect the walking traffic on the Rd.

The County purchased the Leonardi property calling it the Airport Property. During the negation time there was talk of trails and opening a portion of it for a park with a walking path but this turned out to be a lot of hype with no follow through whatsoever and now land that is completely shut off. I still have notes if you need to see them.

Unfortunately, our community had to suffer an unimaginable tragedy to get something like this done.

Please do the right thing and get this project completed.

If any additional information is need contact me at 360-2100

Sincerely,
Betsy Kratofil
