Subject: [EXTERNAL] Robert Anthony Leonardi Trail

Dear County Commissioners,

Please approve the encroachment permits for the Robert Anthony Leonardi Trail (RAL Trail). It is my hope, that through this devastating tragedy, good will come. This trail is good. It will improve the community by providing a safer and more enjoyable means to walk or bike from Golf Course Road into town. Our county sorely lacks trails for kids and adults to safely travel on bike or foot. Along with providing just that, it might serve as a springboard for more generosity from people to help make the community a better place, The trail is a gift to the county, paid for from the pockets of generous donors and the rolled up sleeves of volunteers. Please use your power as elected officials to help make this dream a reality.

Sincerely,
Bryan Dufresne
