Subject: [EXTERNAL] New path

Good afternoon,

I wanted to extend my encouragement and excitement regarding a new safer way to travel between Marcus and golf course. Continuing to expand non-motorized paths to safely travel throughout our town is not only safer but decreases multi-use traveling on roadways. This is great for both motorized and non-motorized folks when designated bike/walk paths are unavailable on the roadway.

Bravo and thank you!!

Romi Coolidge (frequent biker and walker with a child)
