Subject: [EXTERNAL] Marcus st to golf course walking path

To the Ravalli commissioners,

Hi my name is Susie Kraft and my family lives on Marcus St. I would like to express my support of the walking path that will go from Marcus St to Golf course Road. My 10 year old son grew up playing sports and going to school with Robert Leonardi. We will forever miss him smile and positive attitude. This path is a great tribute to Robert and his amazing outgoing personality.

Hamilton needs more safe walking paths and this gives a safe walk with a beautiful view of our town.

My 10 year old takes every opportunity to let other kids know how his friend was doing nothing wrong and a car hit him and killed him. It has made my son much more cautious when by a road for people that are not paying attention. This path will allow families a safe walk away from traffic. There are not crosswalks that are safe for kids or families on Gold Course, Kurts, Marcus st, Big Corral Rd or all the way down Daly Ave. This means so much for a safe walking path in memory Robert. This community is amazing and supportive and I love the idea of showing this family how special they are and how special Robert was to so many. Thank you so much for your work for this county.
