Subject: [EXTERNAL] RAL Trail - Golf Course to Marcus

Commissioners,

I would like to voice my support for the trail connecting Golf Course Road to Marcus Street on private property. The construction of this trail has been a community effort, and will be a tremendous asset to the community. I hope that this trail is a catalyst for providing safe non-motorized connections between our neighborhoods, schools and local businesses.

Our family has personally helped in the construction of this trail and look forward to riding and walking it when it is complete.

Thank you for considering the request to connect this trail to the County road system.
