Dear Commissioners,

Our family hopes you will approve the permits needed to allow BSF to finish the RAL Trail. It sounds like this will be one more wonderful trail that community members will be able to enjoy with their families and it will be away from hwy 93. Our family has walked thru hieronymus park and river side park numerous times and enjoy being able to get outside in nature without going very far. Look forward to enjoying this new addition to our community.

Thank you for your time,
Rachel Weidkamp
