**Subject:** Thank you

Sorry I didn't get to say good-bye on my May trip, but I was trying to finish some things before heading home. I want to thank you all for having me over to help get your treasurer's office back on track. It was a great complement for me. I really enjoyed working with some of your awesome employees. The two Dans had April so under control that closing the month was easy. I am so proud of them! They won't have any trouble with the upcoming months as long as they continue doing the same thing they did in April! Anyway, thanks again, it was fun!
