Dear Board Members,

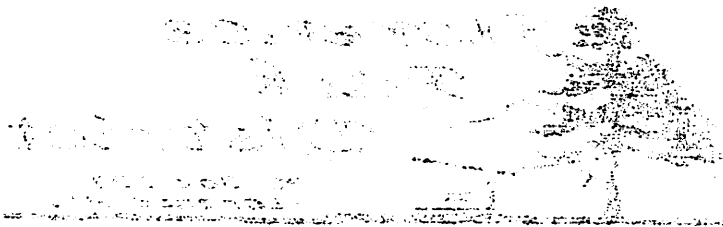

The Florence Park, as you know is in charge of plowing the bike trail in Florence and we are in need of new cutting edge on our boss plow. There are two cutting edges on our plow a right and left each costing about \$ 250.00 each. We would appreciate any help in purchasing these cutting edges for this snow season.

Sincerely,

John Cornish

President

Florence Park District

Dear Board Members,  
I hope you are all well and safe.

Dear Board Members,

The Board of Park, as you know, is in charge of planning the future of the park and we  
are looking for your input. We would appreciate any help in purchasing  
right and left each costing about \$250.00 each. We would appreciate any help in purchasing  
these cutting edges for this snow season.

Sincerely,

John Conner  
President  
Potomac Park District
