

To the County Commissioners,

Who authorized the “light up” signs on hwy 93 that say to wear a mask? IF they are still up, they should be removed immediately. These are NOT warning signs - (like - “wild life on highway”). They are a real hazzard to driving, a very strong distraction to concentrating on driving, actually just a persons opinion, causes much division and anger, and are against the freedom principles of Ravalli county. **THEY SHOULD BE REMOVED IMMEDIATELY**, if they haven’t already. Thank you, and thank you for supporting our local sheriff.
