Subject: [EXTERNAL] Pethtion to hold a public debate for Montana Health Measures

To Ravalli County Public Health Board c/o Staff Kerry McKillip

PETITION from Ravalli County Citizens Calling on the Ravalli County Board of Health to Participate in a Public Debate on 2020-21 Health Crisis Measures.

We believe that a government of, by, and for the people works best with an educated population where those in authority can be questioned openly with full consideration of all the facts.

We request that the Board of Health hold a forum for a civil and public debate regarding the current public health crisis of 2020-2021 for the purpose of ensuring better policies and better cooperation for the best health outcomes for all of Ravalli County.
