To Whom this May concern,

I am a disabled veteran living in Victor and I am writing to request again, a stop sign be placed on the corner of Martin and Main St. On Main St. I have been asked by neighbors, the assistant fire chief, and the sheriff's department to make this request because of increased traffic and the impact to children walking to school, the town deer, and all our beloved pets. A majority of the town wants this in place to preserve our quality of life. This email is to request to start this long process to get a stop sign as I will be turning in a list of signatures from those supporting this including Victor fire department.

Thank you
Bobi Young
