Subject: [EXTERNAL] 2021 Montana Housing Partnership Virtual Conference

The Montana Housing Partnership invites you to get involved in the 2021 Annual Housing Conference by becoming a sponsor and/or sharing your ideas and knowledge by leading an informational session.

The conference, which will be held virtually on **May 18-19, 2021**, is a highly anticipated event for housing authorities, community development agencies and affordable housing developers in Montana.

Planning is underway and the committee is excited for the opportunities a virtual event lends. The platform we are using this year is Whova, which allows sponsors and attendees a great deal of access and amenities.

Attendees will be able to interact with one another and with sponsors before and after the conference.

For more details about the conference visit MTHOUSINGPARTNERSIP.ORG.

Lead a Conference Session

With two days of virtual content, we will be looking for a mix of session content and formats. Breakout sessions can be 60 minutes or 90 minutes. We will weigh heavily both the relevance and importance of the topic to our audience, and the format and attendee engagement approach of the proposed sessions.

We plan to schedule enough breakout sessions to keep group sizes to about 65 attendees, but breakouts could be smaller or larger than this targeted average. You can see examples of last year's sessions [here](#). Proposals are due February 5. Please contact [Katie Biggs](#) if you have questions.

Become a Conference Sponsor

The organizing groups are nonprofit organizations that rely on sponsorships to plan and organize the conference. Your support is vital to our ability to provide attendees with the best training and networking experience our industry can offer.

As a sponsor, you will have a virtual exhibit space to customize your information and interact with attendees. You will also have ad space in our virtual conference program and will see your logo displayed on banner ads throughout the conference platform.

Sponsorships are filling up, so don't delay! The sponsor deadline is March 31. Please contact [Michelle Rogers](#) if you have questions.

Conference registration is scheduled to open March 1. More details will be announced in the coming weeks.
