Dear Chris and County Commissioners,

I greatly appreciate being informed about the meeting this Thursday morning, March 4, regarding the status of the Woodside Bridge project. Unfortunately, I will be out of town and will not be able to attend the meeting. Harlene Marks is hoping to be able to attend the meeting on behalf of the Corvallis Civic Club. The Civic Club, as the original initiator of the TAP grant application to provide a safe pedestrian crossing at Woodside remains very interested in and committed to seeing the project through to completion. We look forward to learning about its current status. Please continue to keep us informed.

Sincerely,

Tonia Bloom
