Dear Mr. O'Loughlin:

DPHHS has provided our jurisdiction with proposed deliverable activities for the 2020-2021 Public Health Emergency Preparedness cooperative agreement. The cooperative agreement is awarded by the Centers for Disease Control and Prevention (CDC) and requires each state to "provide evidence that at least a majority, if not all, of local health departments approve or concurs with the approaches and priorities described in our preparedness application."

Ravalli County DOES CONCUR with the funding allocation formula and deliverable activities proposed for the Public Health Emergency Preparedness grant that will begin in July 1, 2021 and end June 30, 2022.

Sincerely,

Jeff Burrows
Chairperson
Board of County Commissioners
