Dear Commissioners,

I am a 20 year Golf Course Road resident, a parent, a retired Daly Elementary teacher, and a friend of the Leonardi Family. My husband and I support Bike Walk Bitterroot's request for the county to pursue a Transportation Alternatives Grant to construct a trail along Golf Course Road. During our two decades of life along this road, we have seen a large increase in motorized traffic, especially construction related trucks and heavy equipment. The shoulder from Carriage Road to Highway 93 is very narrow and therefore very dangerous to the many bike/ped users we see pass by our home every day! Vehicles swerve into the on-coming lane to avoid walkers/bikers. This trail will provide a safe place to recreate and a safe route for children to get to school. It will be a wonderful connection between our home, Hwy 93, existing trails, and downtown Hamilton. We urge you to approve this project!!!
