Subject: [EXTERNAL] Golf Course Road Trail

Dear Commissioners,

I have been a homeowner in the Antigone Acres subdivision just off of Golf Course Road for over 20 years and I want to offer my support for the Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. As we all know, Golf Course Road has presents a significant risk to the numerous people that walk and bike along this road. Based on 20 years of observation I can say that both the amount of traffic and the speed of that traffic has dramatically increased and over the same amount of time the number of bikers and walkers in our neighborhood has also significantly increased. As we know from the tragic death of my neighbor, Robert Leonardi, the safety issues on Gold Course Road must be addressed without delay. I urge you to approve this project.

Sincerely,

Thomas E. Schmit
