Subject: [EXTERNAL] RAL Trail Extension on Golf Course Road

Dear Commissioners,

I am Gayle Weber and I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe place to recreate, a safe route for children to get to school, and a connection to Hwy 93 and the existing RAL Trail for the walkers, joggers, and bikers that travel this area on a regular basis. I urge you to approve this project.

I grew up on Golf Course Road and still own the properties at 344 Golf Course Road, north of a portion of this proposed project. It would make me very happy to see this project completed and I am sure that were my parents, Bob & Connie Hornung, still alive they would be happy as well. They were good friends of the Leonardi family and would support the purpose of this project.
