**Subject:** [EXTERNAL] Extension of Robert Leonardi Trail

Dear Commissioners,

I am former a Golf Course Road resident of 8 years, Ravalli County resident, a parent, a coach, and a friend of the Leonardi Family. I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. It is sorely needed.

There is no shoulder on this road making it tricky to drive, especially where erosion has created significant trenches beside the asphalt.

There is a tremendous amount of vehicle traffic as well as bikes, runners and walkers and it's only becoming more populated.

This trail will provide a safe place to recreate, a safe route for the children to get to school and allow safe passage between two very large neighborhoods of children.

I urge you to approve this project. It will enhance, upgrade and protect our community.

Thank you for your consideration.

Sincerely,  
Jina Tison
