Dear Commissioners,

We are residents of Hamilton who live just off Golf Course Road. . . In fact, 34 years ago, we were married at the Hamilton Golf Course!

We support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail off Golf Course Road.

This trail is urgently needed to provide a safe route for bikers and walkers on Golf Course Road, especially now that new residential development is taking off so quickly. We both enjoy biking into town, and would do so much more often if there was a safer alternative to riding on the road. Even more importantly, it will be a big relief to know that the children have a safe trail to use.

We urge you to approve this project.

Sincerely,
Rick and Katie Donovan
