Dear Commissioners,

I am a golf course resident, Ravalli County resident, a parent, and a friend of the Leonardi Family and I support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a (safe place to recreate/safe route for my children to get to school OR a connection between my home and Daly Elementary/Hwy 93/the existing RAL trail/downtown Hamilton. I personally was nearly hit while walking on Golf course while pushing my daughter in a jogger stroller. It was very scary and upsetting. I haven't walked that stretch in nearly 4 years because of that incident. I urge you to approve this project. Thanks for your time.
