Subject: [EXTERNAL] RAL Trail addition

Dear Commissioners,

I am a Golf Course Road resident/property owner, a Ravalli County resident, a parent, a teacher, and a friend of the Leonardi Family, and I am writing this letter in support of Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. My property would be impacted by this construction, but I am willing to support this because of my own personal use. I am an avid runner. I run daily and I have to use Golf Course Road every time I leave my house. I often run toward Hwy. 93 to cross to get to Skalkaho Bend Park, bike path, or other route west of Hwy 93. I also run east toward the current RAL Trail to run this trail.

I believe the construction of this trail will provide a safe route for myself and other runners/walker/bikers to get safely up or down Golf Course for recreating or any other reason. I urge you to approve this project.
