Subject: [EXTERNAL] Golf Course Trail Expansion

Dear Commissioners,

I am Michelle Post, an Antigone Acres resident (where Robert Leonardi's accident occurred), a Ravalli County resident, a parent, a local business owner, and a friend of the Leonardi Family, and I strongly support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe route for my family to bike/walk for recreation as well as provide safety for all kids/adults who have to walk that route daily for reasons of their own... there is barely a shoulder to the road as it is with no street lights and especially at night, it can get very dangerous for all parties involved! As a resident who uses this route several times a day to get me and my kids to and from activities and everything that comes along with being a busy Bitterroot family, and also someone that was close to Robert Leonardi and his family and still deals with the trauma of that day everytime I enter and leave our neighborhood, I strongly urge you to approve this project. Anything we can do as a community to prevent another tragedy along that route from happening should be done without hesitation. One precious life gone is way too many. Thank you for your consideration. #rememberrobert #playlikerobert
