Dear Commissioners,

I am a golf course road resident, daily walker and concerned Ravalli County Resident for public safety. I support the Bike Walk Bitterrooter's request for the County to pursue a Transportation Alternatives grant to construct a trail along the Golf Course Road. This trail will provide a safe route for children to get to school, connect my home to route Hwy 93, and a safe trail for the many elderly in the area to enjoy walking to improve and maintain their health. I urge you to approve this project and improve safety for the reasons stated.

Sincerely,
C. Kemp Conn
