Subject: [EXTERNAL] RAL trail expansion

Ravalli County Commissioners,

Expanding the RAL trail along Golf Course Road from Antigone Acres to Hwy 93 is a good idea.

My family both walks and rides bicycles down Golf Course Road into Hamilton. This is a busy street and, like everywhere else, is getting more and more traffic. Along this portion of Golf Course Road there is not even a shoulder to walk on.

Going further east from Antigone along Golf Course Road there is a decent foot trail on the far side of the borrow pit, but down the hill into Hamilton can be a bit dangerous.

Please support the people who are hunting for grant money for this project.
