Subject: [EXTERNAL] Expanding RAL on Golf Course Road

Dear Commissioners,

Please make the expansion of the RAL on Golf Course Road a priority. We have lived near that road for 32 years and have seen the amount of traffic and walkers increase dramatically. There is almost no shoulder on the steepest part of the road. We have had many close calls as we have walked and biked this route.

For the safety of children and adults who bike, walk, and drive this road, we strongly appeal to you to make this a safer road by expanding the trail.

Thank you.
