Subject: [EXTERNAL] Support for RAL Expansion Trail

April 16, 2021

Dear Ravalli County Commissioners,

I am penning this letter to express my strongest support for the efforts to provide improved bicycle and pedestrian access within our county, specifically for the current effort to create a safer corridor along Golf Course Road, i.e. the RAL Expansion Trail. As a resident of Hamilton and a father of active children I see this project as a necessary component to a healthy quality of life for residents.

We are very lucky here within the Bitterroot Valley to have a wide variety of recreation options, but sadly, safe pedestrian and bicycle access suffers. Any attempts to improve connections for modes of travel beyond just vehicular should always be encourage, especially when they could mean so much for the safety of children. Please pursue a Transportation Alternative grant for this project in order that all residents and future growth of Hamilton and the surrounding county can see an improved quality of life through multi-modal transportation.

Sincerely,
Nathan Boddy
