Dear Commissioners,

We are longtime residents of Ravalli County and a homeowner on Big Corral Road. We strongly support Bike Walk Bitterroot's request for Ravalli County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide an ideal place for pedestrians to walk/run and bicycles to ride - it is a much needed route for foot traffic to access Hwy 93 and downtown Hamilton. More important, however, is that this trail would create a **safe route** for children to get to school, wait for school busses, or simply cross the road.

I urge you to approve this project. Thank you for your consideration,

Susie & Bill Thomas
