Commissioners:

As a cyclist who regularly uses Golf Course Road, I am excited about the prospect of a separate, shared-use trail that would provide safe bike and pedestrian access along that route. Encouraging walking and cycling to school is good for kids and good for the environment; making it safe and convenient is how we accomplish that. I would love to see a separate bike path all the way from the intersection of Golf Course Road with Hwy. 93 to Antigone, and am willing to work to make it happen. I hope that you will support the proposal.
