Subject: [EXTERNAL] Trail along Golf Course Road

Dear Commissioners,

We are residents in Tammany View Heights Subdivision located adjacent to Golf Course Road and we support Bike Walk Bitterroot's request for the County to pursue a Transportation Alternatives grant to construct a trail along Golf Course Road. This trail will provide a safe mode of travel adjacent to the aforementioned road. We live very close to where the Leonardi boy was killed. Of course a trail would have not stopped the man who killed the young boy from speeding but a trail certainly would provide additional safety in those that walk or bike on Golf Course Road. We hope that you give this project your careful consideration and support its approval.

Thank you.

Respectively,

Ken and Marilyn Andrews
